REEL 6856 FRAME 286

Provided, however, that nothing herein contained shall relieve the Debtor from the performance of any covenant, agreement or obligation on the Debtor's part to be performed under any license agreement presently in effect or hereafter entered into by the Debtor licensing the use of the Collateral or any part thereof or from any liability to any licensee under any such license agreement or other party or impose any liability on the Bank for the acts or omissions of the Debtor in connection with any such license or license agreement.

1. Definitions. Except as otherwise defined herein, capitalized terms used herein shall be as defined in that certain Revolving Credit Loan and Security Agreement between Debtor and the Bank dated as of the date hereof (the "Credit Agreement").

2. Indebtedness Secured; Etc. This Agreement and the rights and interests granted herein secures the Debtor's Indebtedness to the Bank and is being delivered to the Bank pursuant to Section 4.1(d) of the Credit Agreement. This Agreement shall continue in full force and effect until all of the Indebtedness shall have been paid in full and the Credit Agreement or any of its provisions shall have no further force or effect. The Debtor hereby represents and warrants that listed on Annex I hereto is a complete and accurate list of the items of Collateral, any registration number therefor, the names and addresses of each party to whom or from whom, any part of the Collateral has been licensed, the date of the applicable license agreement with such party, the term thereof and the royalty or royalties paid or payable thereunder; and Debtor further agrees that it will not grant any other license in respect of any of the Collateral without the prior written consent of the Bank.

3. Representation and Warranties. The Debtor hereby represents and warrants that, except for the security interest granted to the Bank hereby, the Debtor is the owner of all Collateral, free and clear of all liens, charges, encumbrances, setoffs, defenses and counterclaims of whatsoever kind or nature except for Permitted Liens or except as indicated in Annex I, II or III; there has been due registration in the United States Patent and Trademark Office with respect to all trademarks, service marks and patents which are part of the Collateral except as indicated in Annex I, II or III; Debtor has not made and will make no assignment, pledge, mortgage, hypothecation or transfer of any Collateral or of the proceeds thereof; that the execution and delivery of this instrument will not conflict with or contravene any contractual restriction binding on the Debtor, including any license agreement relating to the Collateral or any part thereof; that, except as heretofore disclosed to the Bank in writing, there are no legal actions or administration proceedings pending or threatened before any court or administrative agency involving the Collateral, or any part thereof; and that the Debtor will defend its right, title or interest in and to the Collateral against the claims of all persons whomsoever.

4. Use and Ownership Prior to Default. Unless and until an Event of Default shall occur and be continuing, the Debtor shall retain the legal and equitable title to the Collateral, and shall have the right to use the Collateral in the ordinary course of its business, but shall not be permitted to sell, assign, transfer or otherwise encumber the Collateral or any part thereof; provided, however, that nothing herein contained shall prohibit Debtor from failing to renew or otherwise abandoning any item included within the Collateral

REEL 6856 FRAME 287

if, in Debtor's good faith judgment, the retention of such item is not material to the proper conduct of Debtor's business, except that the Debtor shall not permit the expiration of any patents or registrations of trademarks in the United States Patent and Trademark Office without the prior written consent of the Bank which consent shall not be unreasonably withheld.

5. Remedies on Default. Upon the occurrence of an Event of Default and the acceleration of the Indebtedness, the Bank shall be entitled to exercise in respect to the Collateral all of the rights and remedies available to a secured party upon default under the Uniform Commercial Code in California at the time, and, in addition thereto, the rights and remedies provided for herein and such other rights and remedies as might be provided for by law. In the event of sale of the Collateral, or any part thereof, the Bank shall give the Debtor reasonable notice of the time and place of any public sale or other intended disposition thereof is to be made. The requirement of reasonable notice shall be met if notice of the sale or other intended disposition is mailed, by first class mail, postage prepaid, to the Debtor at its address set forth in the Credit Agreement, at least ten (10) days prior to the time of such sale or other intended disposition. If the Debtor shall fail to do any act or thing which it has covenanted to do hereunder or any representation or warranty of the Debtor shall be breached, the Bank may (but shall not be obligated to) do the same or cause it to be done or remedy any such breach and there shall be added to the liability of the Debtor hereunder the cost or expense incurred by the Bank in so doing, and any and all amounts expended by the Bank in taking any such action shall be repayable to it upon its demand to the Debtor thereof and shall bear interest at the same rate which would apply to such amounts if they were Indebtedness under the Credit Agreement, from and including the date advanced to the date of repayment. Debtor will, in the event of such sale, duly execute and acknowledge all documents necessary or advisable to record title to the Collateral in the name of the purchaser, including valid, recordable assignments of any or all patent and trademark registrations which form part of the Collateral. In the event that Debtor should then fail or refuse to execute and deliver any or all documents necessary or advisable to record title to the Collateral in the name of the purchaser, Debtor does hereby appoint the Bank its Attorney-in Fact to execute any or all of such documents on Debtor's behalf, which appointment is deemed to be coupled with an interest and shall be irrevocable.

6. Application of Proceeds. All proceeds of Collateral shall be applied as follows:

First: To the payment of all expenses incurred by the Bank in connection with such sale, including but not limited to, the expenses of advertising the Collateral to be sold, all court costs and the reasonable fees of counsel to the Bank in connection therewith, and to the repayment of all advances made by the Bank hereunder for the account of the Debtor and the payment of all costs and expenses paid or incurred by the Bank in connection with this Agreement or the exercise of any right or remedy hereunder, to the extent that such advances, costs and expenses shall not theretofore have been reimbursed to the Bank; and

Second: To the payment in full of the Indebtedness, any surplus to be paid to the Debtor, its successors or assigns, or as a court of competent jurisdiction may direct.

REEL 6856 FRAME 288

7. Purchasers of Collateral. Upon any sale of Collateral by the Bank hereunder (whether under power of sale herein granted, pursuant to judicial process or otherwise), the receipt of the Bank or the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Bank or such officer or be answerable in any way for the misapplication or nonapplication thereof.

8. Indemnity. The Debtor agrees to indemnify and hold harmless the Bank from and against any and all claims, demands, losses, judgments and liabilities (including liabilities for penalties) of whatsoever kind or nature, and to reimburse the Bank for all costs and expenses, including attorney's fees, growing out of or resulting from this Agreement, other than to account for monies actually received by it in accordance with the terms hereof.

9. Further Assurances. The Debtor agrees that it will join with the Bank in executing and, at its own expense, file and refile under the Uniform Commercial Code such financing statements, continuation statements and other documents in such offices as the Bank may deem necessary or appropriate and wherever required or permitted by law in order to perfect and preserve the Bank's security interest in the Collateral, and hereby authorizes the Bank to file financing statements and amendments thereto relative to all or any part of the Collateral without the signature of the Debtor where permitted by law, and agrees to do such further acts and things and execute and deliver to the Bank such additional conveyances, assignments, agreements and instruments as the Bank may require or deem advisable to carry into effect the purpose of this Agreement or to better assure and confirm unto the Bank its rights, powers and remedies hereunder.

10. Termination. This Agreement, and the security interest of the Bank hereunder, shall terminate when all Indebtedness shall have been paid in full and the Credit Agreement or any of its provisions shall no longer be of any force or affect, at which time the Bank shall release to the Debtor the Bank's security interest in the Collateral and, if requested by the Debtor, shall execute and file in each office in which any financing statement or assignment relative to the Collateral, or any part thereof, shall have been filed, a termination statement, assignment or other appropriate instrument releasing the Bank's interest therein, all without recourse upon warranty by the Bank and at the cost and expense of the Debtor.

11. Credit Agreement Controls: This Agreement is delivered pursuant to Credit Agreement. Borrower and the Bank agree that in the event of any inconsistency between the provisions of this Security Agreement and the Credit Agreement, the provisions of the Credit Agreement shall control.
